

SUBMITTAL/TECHNICAL DATA SHEET

MILCOR

ADVANTAGES

- Versatile Valve Box with one-piece frame is the standard for the industry. The design provides 100% clear opening with superior strength, rigidity and true square shape.

- The fully enclosing box keeps valves clean and clear from excess materials within the wall cavity.

- The door panel is mounted to the frame on a piano hinge that opens to 175 degrees for complete access without allowing the door to impact the wall.

- For easy opening, the unit comes standard with a cylinder lock release mechanism which acts as a fingerhold assist in opening the door.

- Available in brilliant white, stainless steel and galvanized steel. Optional primed colors also include grey powder coated steel, gold sand and jet black.

SKU: **3602**
