

SUBMITTAL/TECHNICAL DATA SHEET

DESCRIPTION

The Access panel consists of an aluminum frame which virtually disappears once installed in the wall.

Equipped with concealed mechanical touch-latches, the round access door is available with 1/2" (12.7 mm) or 5/8" (15.9 mm) drywall and blends seamlessly into the surrounding wall or ceiling and just a small reveal of 1/16" (1.59 mm) is visible between the outer frame and door hatch.

The door is fully removable and offers a very functional yet aesthetically pleasing solution.

FEATURES

- Screwdriver operated cam latch
- Screwdriver operated four-square cam latch
- Round Cylinder Lock with Key
- Hex Head Cam Latch
- Pinned Hex Head Cam Latch

ADVANTAGE

- Superior engineering & innovative design
- Quick and Easy installation
